I Accept Payment through Paypal only

In order to Purchase the service i've listed above, Please use the following form:

Quote:Order Type: (example: Banner, Logo)

==

Text: (If you need to to be seen in the work, Please specify fill here)

Sub-Text: (type sub-text/slogan if you want any)

Transparent: (yes / no)

Render: (if you would like me to use any render for the work, please post the link here)

Colors: (you must pick the colors for your order, unless it's a banner/logo for a website that already has a theme, 'cause i can fit it by myself)

Style: (you should give me the design you want or what's in ur mind, for example: metal effect, etc.)

Size: (if you have a custom one ex. 1024x768 - use pixels)

Other Things: (specify things you want and don't want to be seen on the work)

Where it will be used: (as website banner/header, advertising banner, signature banner/ads, etc)
