Oh it's this thread again. Yay.

kalwat - June 28, 2011, 4:50 pm

Please restate your question so I can understand

Copic - June 28, 2011, 4:51 pm

Is this going to be the same thing as littlerebellions hacking? all over again?

Yuzar - June 28, 2011, 6:43 pm

All vulnerable to blind SQL injection, but I'm too lazy to get up.

loki` - June 28, 2011, 7:23 pm

All vulnerable to blind SQL? Well then, they are going down

Hennon - June 28, 2011, 7:26 pm

NOT another 40 page pedo thread where nothing gets done.

loki` - June 28, 2011, 7:30 pm

@Mash, we crashed their site like 4 times..

Anyways, I'm ddosing 1 until vulnerable links are posted

Let's end these bastards. ?

Fortitude - *June 28, 2011, 8:04 pm*

Im scanning for vulns now.

Ill post what i find

TacticiaN - *June 28, 2011, 10:11 pm*

No i can't

sorry body :)
