Oh shit.. I forgot that I had signed up for it. I am using FireCash, though. No premium accounts or downloaders. Easy surveys and very high conversion. Completed myself one and it took 1 minute only. It was really fast unlock and I earned 0.44\$

USA IP.

Have you been paid out? Can you show me proof? :)

LiteFire - June 28, 2011, 6:35 pm

Nice, good luck with it. You're very lucky.

That is my proof there i havnt requested a payout yet.

Also fileice downst use premium accounts it user premium points.

So this completly outwits autownloaders and account shareing which means money everytime
