-----Intro-----

Hello everyone, well I'm trying to get a little bit of money trying to sell some of the work and some experiences I have done over the years. This thread is just for people that want me to do ANY type of design for them such as logo's , flyers , sigs's , backgrounds , etc. I have worked with photoshop and illustrator and adobe flash over the past 2 years. I am a very creative worker with ALOT of time on my hands. I just need a little extra money to buy some stuff for myself. I am currently 17 years young and in summer of the school year. If you'd like a design just reply to this thread an send me a PM. Thank You - Kurfew

-----Prices-----

Logo's : 1\$

Flyer's : 6\$

Sigs : 2\$

Backgrounds : 5\$

Any Other Type Of Design: Well Talk About It.

If you think any of these prices are unfair either too much or too little please let me know and we'll try to work something out. I will be accepting payments only via Paypal. Thank you.
