Banner -

Size: Banner size

Image (OPTIONAL):

Colors (OPTIONAL): Black,Gray,Red

Specific Details: I have a group called BlackHatHax so I would like a banner for the group. As you can presume it involves blackhat activity so if the banner could relate to this it would be awesome.

khaleesi - July 7, 2011, 11:22 pm

It isn't the best (Since I haven't made a banner in a long time)...but I tried;

Gray for Dark Blue for Dev, Thanks

CacaoBux - July 8, 2011, 5:28 pm

Size: 205x65

Text: SMSpixels

Colors (OPTIONAL): As you decide

Specific Details: It will be something like a simple logo for a website using ad service with pixels. I hope it that I'll like it. Going to say thanks in an appropriate way and post a big vouch.

Thank you in advance.
