Thread: [*****..Free Istealer server + crypting..*****](#)

PoS3!DoN - July 9, 2011, 8:48 am

Hello HF,

Here i provide a free service for HF members.. As the heading suggest.

1. I will make a stealer server for you.
2. And crypt that server too.
(crypted server may not be 100% fud).

Here is the Novirusthanks report. [0/5]

Spoiler ([Click to View](#))

http://vscan.novirusthanks.org/analysis/62ace07bc516d51dfdc837220bbe1cea/a3AtY3J5cHRlZC1leGU=

you can check this on my-avscan Or Novirusthanks.On novirusthanks Remember to check the box called Do not distribute my sample.

Do not upload your server on virustotal.

So if you want to use this services PM me the detail :

1. For making a stealer server you can contact me by pm.(I will help you on msn or tv.)
2. For crypting a server : give your server link
3. If you want to bind any software : give the software downloading link.It should be < 5mb. I am not going to change the icon of the server..(Do not try to infect me by this software.)

To enjoy this service member should have minimum 25 post. First comment here and than PM me the detail... Any PM without posting comment here will be ignored..

Query always welcome....
