Thread: [\[Hosting Site\] Pakistan Hosting Site Defaced \[Hosting Site\]](#)

poision-v1p3R - July 12, 2011, 9:54 am

hey guys....

A Pakistan Hosting site Get Down....

Quote:Site: <http://www.web-hosting-domain.net/>

Mirror: <http://www.zone-h.org/mirror/id/14403032>

No Cyber war..

poision-v1p3R - July 13, 2011, 4:54 am

@maxCaps: ye i owned it.. message 2 short...

Dirty Dutch - July 13, 2011, 5:22 am

what if you root them ?

bosshugo - July 13, 2011, 5:44 am

LoooL ... nice defaced :D

hackBoTneT - July 13, 2011, 5:46 am

Hey Ace Bomber. Did you try to r00t??

Neon DX - July 13, 2011, 5:49 am

For the hackers that take down any terrorist websites, I salute you. Hackers are claimed to be bad people, if the world actually knew that we were taking this stuff down then they would respect us more. Every terrorist, perverted, child abuse, animal abuse website should be constantly attacked with no mercy at all, upload a shell do whatever.

You my friend are awesome.

If only I could find the vulnerabilities in these websites...

Jack_Daniels - July 13, 2011, 5:52 am

Nice work dude ! :p, and yeah i totally agree neon

poision-v1p3R - July 13, 2011, 5:58 am

@hackBoTneT: no i cant root the server.. :D

hackBoTneT - July 13, 2011, 5:59 am
