;D

thanks bro allways good to get some good comments :D

Daxxor - September 19, 2009, 10:07 am

Very nice and LMAO at the picture.

d_boy - September 19, 2009, 10:12 am

Lol.Its totaly wiped out now.

systemx - September 19, 2009, 10:47 am

yeah someone whiped it without posting, ill post the picture

[img]<http://a.imagehost.org/0108/porncrazedoneover.png>[/img]

that was the picture.

Amped- - September 19, 2009, 11:07 am

What kind of password is aplesss hahaha :S

OSU6152e - September 19, 2009, 11:58 am

lmao, that is hilarious. nice work

sriducati - September 19, 2009, 12:22 pm

wow am enjoying it...u r super dude

gaga - September 19, 2009, 1:18 pm

Aha very nice

GOD DAMN SOHRTNESS

Enjoy kid, make sure you wear protection.

gaga - September 19, 2009, 4:22 pm

AHA systemx i was going to post the same thing

systemx - September 19, 2009, 4:29 pm

great minds think alike :D

gaga - September 19, 2009, 4:34 pm

indeed :P what kind of exploit did you use here

systemx - September 19, 2009, 4:53 pm

(Sep 19, 2009 04:34 PM)Trust The Future Wrote: [\[CITE\]](#) indeed :P what kind of exploit did you use here

none, i had a botnet source at the time with a firefox pass stealer in it. So i was talking to the admin and offerd to help him get started with his website blah blah blah, sent him my bot, keylogged a few things i wanted and stole his cpanel info and it went on from there. i got all i needed from it and then i posted it today.

loer857 - September 21, 2009, 2:33 pm

nice one

do you think you could hack this for me? :

<http://eportal.cdl.ch/eportal/index.jsp>

thanks
