Thread: [Just saw the ending of Death Note. \[spoiler\]](#)

Arsonist - September 19, 2009, 3:59 pm

Don't read this if you haven't finished the series.

Spoiler ([Click to View](#)) What do you guys think about the ending? I was hoping Lite would rule on and they would just end it off with a epic pan.

Instead it was kind of weird, I wouldn't mind seeing a clip of him being a Shinigami. It would be interesting

to see the series come back to life with Lite as a Shinigami teaching a new person.

Also, Near and Mello were whack, I wished L could of came back to life or something along those lines.

They should of had a more epic ending where both of them died at the end or something.

Either way, whats your thoughts on this?

sidh97 - September 20, 2009, 2:10 am

i was hoping that misa and light would live happily ever after.

it did seem dodgy that it ended that way.

but its deathnote. kinda expected it.

hp10d - September 20, 2009, 3:15 am

I think L was much better than N, so I expected his death too. I sympathized with Kira and his idea of better world so I hoped for another ending..

Arsonist - September 20, 2009, 6:46 am

Yeah.. they almost seemed rush to finished it as well. It's not like Kira to act with so much desperation as well.

He would of found a way to kill them all- that would of been a better ending.

Also at the end- is Misa standing off the side of the building about to commit suicide?

Skajper - September 22, 2009, 1:28 pm

She is gonna commit suicide. But you know what at the end of every movie or anime or cartoon "AMERICANS" always won as justice well till episodes where L was killed that was japanese work but then they got bored and America and England helped them end it.

BUT I WAS THINKING ABOUT A NEW BEGGING IF RJUK DECIDES TO BRING LIGHT, MISA AND MIKAMI TO SHINIGAMI WORLD AND MAKES THEM SHINIGAMIES THEN THEY TAKE ABOUT FEW LIVES TO ENSURE THEY LIVE LONG ENOUGH AND GO TO HUMAN WORLD TO HELP YET "ANOTHER KIRA" But then NEAR is still alive and all of those 3 are awaiting for REVENGE! It says whoever uses the book doesn't go to neither HELL OR HEAVEN THAT MEANS

RJUK FIND'S A WAY TO BRING THEM BACK TO SHININGAMI WORLD :)And their adventure start's again BUT THIS TIME KIRA WIN'S!!!!!!!

Tasemu - September 23, 2009, 4:50 am

thats an interesting point u have there about not going to heaven or hell, and it would make a wicked series.

p.s. that ending was bullshit, kira was wicked and he went out like a little bitch instead of with a bang :S

Tasemu - September 23, 2009, 6:01 am

Yeah, the live action movie was a retelling so I assumed it would redevelop the story, but I didn't like it. ?

That's the point of Arsonist's sig. ?

Well yes that would be wicked new beggining I hope they make it if they do they took my idea and I got the proof here :)

Lol, This sig is like seeing someone die in a explosion. You want to look away, but you know you can't because it's just too awesome.

Something along those lines. :p

And yeah.. Hopefully they revamp the series with Kira and Misa as Shinigami's. Neir is a little bitch, and they should bring back L for kicks.

hack attack woohoo - September 25, 2009, 12:31 pm

I thought that they should've just kept the real L through the whole series. It was disappointing to see Lite killed off by a Dimmed down version of L. The ending was quite interesting though. I really don't know why but it makes you wanna keep watching it over and over again lol

Skajper - September 25, 2009, 1:56 pm

Kira was an awesome anime....And it always will be!Cartoon Network.From 6-13 year's.13-16 Anime.IT OWNS!

cereberusv - October 4, 2009, 9:58 am

They kinda gave away the ending near the beginning, anybody who paid attention to details would have figured that out, but the ending still seems half-assed. I say he should have went deathnote-happy by killing off all the important people in the world.

Helba - October 4, 2009, 5:57 pm

the ending had meaning to it it was pretty good no one saw it coming every one that that light would win

Skajper - October 7, 2009, 4:41 am

I think they were just too lazy to continue KIRA series.Or lost all their creativity or imagination :P

vincentbelkin - October 7, 2009, 4:43 am

I hate it when bad guys die

hivekiller - October 8, 2009, 1:10 am

lol... it will be great if Light and Misa didn't get caught

The Webby - October 8, 2009, 1:28 am

I like the death of Light Yagami it was bad as*

L's death was alright I like the way they made L move faster

jade - October 16, 2009, 4:35 pm

i was kind of mad/sad when light died...

ifartt - October 18, 2009, 11:44 pm

What ep does anime end in like 30? i stopped watching and forgot where i left off

WynD - October 22, 2009, 6:53 pm

It was kinda sad at the end.... Wish there had been a better ending!

Weather Man - October 22, 2009, 11:18 pm

It was a total anti climax in my opinion but, whatever.

Untitled - October 25, 2009, 3:04 pm

Ryuk was the 1 to kill Light..

that SOB, i wish light killed all those near faggots

Kaidar - *October 31, 2009, 8:38 am*

The ending was like a big swing, you really need to pay all of your attention at those last 2 episodes lol.

At the moment you thought Light had won, the whole thing was turned upside down, and I was like wtf.

Anyway, I loved the whole serie, and the ending. I'd like to hear more from it.

Millar - *October 31, 2009, 7:11 pm*

He could have ended ruling the world but then he could have died, from the way i look at it they are to 2 options they could have used. imo

neroic - *November 1, 2009, 9:18 pm*

Dehero1 - *December 2, 2023, 6:32 pm*
