I know this thread wasn't needed but it just gets on my nerves as i work for reputation and rather not see mine going to waste like that for something that wasn't needed.

Isn't that reputation abuse... Just -3 someone for liking anime? Thats like next to hating some one because of their skin color. xD Thats just totally retarded....

I would just PM Dredd. I'm sure he will realize that it is rep abuse and remove it. That's what I did when I got repped unfairly.

**SewDough** - July 20, 2011, 8:06 am

It's not rep abuse. It's an opinion, therefore nothing can be done about it.

You should see Nyx's or my rep. There's quite a few with statements regarding anime.

Threads like these keep those faggits alive, you give him attention which is what he wants.  
Good job OP, you are the hero of the day.

Also who gives a fuck about a green color in a internet forum.

**Spcfsu Loli** - July 20, 2011, 8:11 am

Yes, it's an opinion but I don't think it should be allowed. It's like if I, an Atheist, went around -repping everyone who believed in God saying "God's fake." I sure people would go ape shit over that, but it's basically the same thing.

I really don't mind but as i am trying to sell things on HF i don't like to have a shit reputation for no reason.
