Thread: [\[Will spread yours\]Need someone to test my server.exe \[Will spread yours\]](#)

Stenography - July 23, 2011, 8:43 am

Hey !

I'm having some troubles with my RAT and now I think I fixed it ..

Can someone test it for me and for exchange ..

I will spread your FUD server for 30 minutes. (

<https://hackforums.net/showthread.php?tid=1473372&pid=13773103#pid13773103>)

Thanks in advance guys ?

Mate, Im new reg'ed....You don't have to spread mine, I can try out yours anyway if you want?=(

Just want to help=)

Crypto9 - July 23, 2011, 9:09 am

Well i can test it for you no problem :)

Stenography - July 23, 2011, 9:13 am

Sorry guys ,
Itz Only Travis already tested it and it didn't work ..

If someone still wants that I will spread his server .. I will spread it for 4\$ (24 hours)

Just hit the PM button. ;)

hmm. well you should try Cerberus and see how that works! what kind of router do you have ?

Stenography - July 23, 2011, 9:39 am

NETGEAR DGN2200v2 ..
Regards.

Onlyforthisandyou - July 23, 2011, 11:11 am

DarkComet? I had the same problem at the first installation of the server as well.
It says that my port is closed (even when it's open) but I did try it anyway and it did actually work:)
