Hello and welcome to my cheap torrent seeding service.

Payments are going over PayPal

Before PMing me at HF or MSN make sure you already have the torrent uploaded to a tracker.

Price list:

1 hour seeding = \$ 0,40

2 hour seeding = \$ 0,80

3 hour seeding = \$ 1,20

4 hour seeding = \$ 1,60

5 hour seeding = \$ 2,00

I use for seeding a tweaked (tweaked for upload speed) uTorrent 1.8.4.

Add more details. What you use for torrents, how many bots an hour, etc.
