Thread: [\[Help\] Hacked a shopping site.\[Help\]](#)

Rahul_Rulz - August 8, 2011, 11:15 am

Hello, i have hacked a shopping site named

<http://www.tradus.in/>

i have admin login and users login too..

is it possible to get free things from it ??

without getting traced or caught ??

Use Tor, if you have all the details, you can so that, idk, have to get in and see.

Stage6 - August 8, 2011, 11:23 am

it is possible or may be not, depends on the permission and policies of website !

if they allow admin to make vouches for sales ! then you can do it :) !

just use proxy always or strong vpn :) !

good luck :) !

Extreme334 - August 8, 2011, 11:35 am

use a proxy and try find the admin login page,when you in you can check what stuff you can do then

Xbox360™ - August 8, 2011, 11:50 am

just buy a RDP for just 2 - 3 \$ and try it on it :)

Thats my option :P

Get a PO box and send yourself stuff!

Rahul_Rulz - August 8, 2011, 12:19 pm

I will try to make 90% Off Coupon Code and then register as normal user and buy stuff in legit way in cheap, What say ?

DerDer - August 9, 2011, 9:34 pm

You should add a java drive by there!

~!White!~ - August 9, 2011, 9:41 pm

try to go to a coffee shop and connect to their wifi if they have one then turn on ur vpn then start buying stuff and make a p.o box to send everything to :)
