Thread: [For Omni - Suggestion about a new way to upgrade - For Omni](#)

Makaveli The Don - August 8, 2011, 2:22 pm

Hello dear Omni,

First of all thanks for reading my suggestion.

I know that you are everyday getting a lot of pms saying if someone is eligible for ub3r or not.

I know you have a lot of work to do so why not instead of pm'ing, create a new subsection called "Ub3r applications" which will be for l33ts and normal members to apply there in a thread.

The subsection will be like rep abuse section that meaning people won't see each others thread.

Also, set a 60 days waiting period before you create a new thread if you have previously created one.

Ub3rs cannot post in that section seeing that they are already ub3rs!

What do you think? ?

Thanks. ?

(Staff don't close this thread, I want personal opinion from Omni, Thanks)

I think this is a good idea. More effective.

Good idea, but you said "For l33t and normal ub3rs to apply.."

Darkwin - August 8, 2011, 2:25 pm

Wow this is a perfect idea, I don't see any reason for why he would not implement this since it would save ALOT of mailbox space for him and anyone who PMs him regarding there app could be auto-denied. Its genius!

Chief™ - August 8, 2011, 2:25 pm

This is a pretty good proposal, I support it.

AnAlpaca - August 8, 2011, 2:26 pm

This would be good. I would say make it like the Aprils fool joke! Then each application expires after 60 days.

Makaveli The Don - August 8, 2011, 2:26 pm

Thanks a lot guys. I appreciate all your comments.

Sol Yurick - August 8, 2011, 2:26 pm

I think this is not a bad idea.

Makaveli The Don - August 8, 2011, 2:27 pm

Thanks Astonish for your comment!

Mr. 9 - August 8, 2011, 2:29 pm

Seems like a pretty good idea i also support this

Makaveli The Don - August 8, 2011, 2:30 pm

Thanks for your comment Mr.9! That means a lot!

Nostre - August 8, 2011, 2:30 pm

It seems like a good idea, but there are no requirements for Ub3r. That's why the applications do not exist.

Omni chooses you.

Wheelz - August 8, 2011, 2:31 pm

It seems like a good idea, we could have a poll on there seeing if other members think they deserve ub3r

Makaveli The Don - August 8, 2011, 2:31 pm

Thanks for your comment friends! :D

Already suggested and denied with the response of:

So you're suggesting to me how I do my work?

One response comes to mind.

Fuck off.

What the hell, you reply to comments saying it's a good idea, but when I make a reply on something that made no sense in your post and that its a good idea, you don't reply but you go and update the

thread.

Just close this. You're just going to get Omni pissed lol. It was declined once and will be again, only this time he'll be even more pissed due to the fact of you knowing it was already suggested.
