Thread: [Plugins disabled](#)

Omniscient - October 2, 2009, 1:00 pm

All plugins are currently disabled.

tnt996 - October 2, 2009, 1:01 pm

Okay, i hope we done get owned again :(

Apple - October 2, 2009, 1:07 pm

I see. First time I've posted here in a few days, great for it to be back for a while :) - ALTHOUGH, I highly doubt it has anything to do with the tabs, I was hoping we could bring those back.

Alright, Have you posted your "Update" about whats going on with the site yet? And if so, In which topic? Thanks

Shotta - October 2, 2009, 1:12 pm

What plugins are we talking about ?

3.14 Apple Pi - October 2, 2009, 1:12 pm

coolio. Some issues i guess.

PhoenixAI - October 2, 2009, 1:13 pm

dose that include editing posts? coz i cant but ok

I lol'd?

All of them.

Ph?us - October 2, 2009, 1:18 pm

Can you please restore all the forums so we don't have to navigate to them using tabs ;) I hate those tabs and I can never get used to them.

Even the one that stops quotes from piling up like this.^

Soldier of Fortune - October 2, 2009, 2:07 pm

Yeah cool, now why don't we have some fun finding out how many plug ins does HF normally have? Lol.

I cannot but laugh when I see the amount of loyal HF members bitching about nothing...everything's gonna be alright soon enough.

Snorlax - October 2, 2009, 2:09 pm

I've just got in from work, GH0ST = HF NO W4Y?

Wtf is omni playing at

Anyone want like ...[deleted] 40 stolen credit cards >:(

R1chard™ - October 2, 2009, 2:13 pm

I just realized how much of a difference those plugins made on HF. I loved them :P
