Are cool in a sense, but im a bit sad that now its everything about Sasuke.. sasuke and sasuke.. I wish that gay weak fag dies.. Hopefully he got ownd by the Kages now :P Tobi's taking over

Rolling - October 3, 2009, 4:21 am

There would be no reason in Naruto if sasuke went out the picture .

0v3rd0z3r - October 3, 2009, 4:27 am

Hell yeah, what about the strongest ninja in the naruto manga? Tobi?

Rolling - October 3, 2009, 4:30 am

Naruto is the strongest with his 9 tales that is .

0v3rd0z3r - October 3, 2009, 6:54 am

Nope, Tobi (Madara) can control the Bijus

trelgak - October 3, 2009, 11:18 am

yeah sasuke is a little douche, i say itachi should have taken him out haha. that would have made me happier

ifartt - October 3, 2009, 1:29 pm

where are the sasuke fangirls when you need them

Itachi Uchiha - October 3, 2009, 1:36 pm

these freaks lol....

blacksky.sky078 - October 5, 2009, 7:27 am

Did u know who kill Itachi ???

Sasuke the part 2 kill the itachi !

Rolling - October 5, 2009, 8:26 am

Tobi lol Naruto can kill pein with 2 rasengans he could kill tobi easily .
9 tail will fucking destory him .

GhostRaider - October 5, 2009, 1:25 pm

Sasuke only killed Itachi because that's how Itachi wanted it to be.

ViciouS - October 7, 2009, 6:12 am

yeah. but i dont really credit sasuke with it. itachi was already injured/sick at the time and going blind. sasuke still had a hard time with that fight too. running really low in energy at the end. i dont respect sasukes ability at all

Sir Neko - October 7, 2009, 7:19 am

Tobi/Madara fight against Naruto with Senjutsu and biju would be badass.
9 tails would never kill Tobi easily, if he would at all.
Even Sasuke took 8 tails with 1-2 hits, ameratsu.

Tobi/Madara can teleport and knows all 4 mangekyou techn.
And last time Tobi pwned Sasuke and Naruto both.

Rolling - October 7, 2009, 8:57 am

So your saying Tobi is stronger than Yondaime Hokage & Naruto ?

who knows. Tobi isnt even at full power. this last chapter was pretty awesome.(the one that released today). but part of it i guessed months ago. notice the pun with Tobi's name? eh, it makes sense when u read the chapter, maybe.

Jiraiya said that the 9tails could have been some major summoning by Madara and if that is correct then he is stronger than 5 of yondaimes and narutos.

Well he controlled the 9 tails with just his eyes, so that makes him very very epic. And his proolly faste than yondaime.

Rolling - October 9, 2009, 8:07 am

Naruto has now got powers from the fourth hokage and his very own . (With a touch of belive)
Defeated pain single handly .

yeah but Madara was defeated by the 1st hokage and even then is rendered a lot weaker than originally. curious as to why he is still alive though. also, the most epic ninja is def The Ninja of Six Paths. The original ninja who also possessed the rinnegan.

With the amount of fillers in this series no1 will end up killing any1

manga has very little filler. its all story with a rare side story such as a persons past. and the series looks like it has taken off into a really good direction right now.

Tasemu - October 10, 2009, 7:54 pm

yer, i dunno haha i tried watching it but it just didnt work for me.

Networkmancer - October 12, 2009, 7:23 am

Sasuke is so weak that in every fight there is always a hero to save him. Geez.. Then he do not even thanked them for that. Sasuke is so weak. Naruto owns.

Joink - October 12, 2009, 7:36 am

uhh what about that "gift" itachi gave naruto????

new user - October 12, 2009, 7:57 am

still to be found out. it's probably for when sasuke's going to fight naruto.

and sasuke aint weak, geez mangekyou's amaterasu ownz. to bad he loses eye sight after every use of mangekyou

Sasuke is pretty weak to be honest. his talent comes from borrowed power. he is also overconfident. He got his mangekyou and skills from itachi (who he wouldnt have even beaten) and he also stole orochimaru's power when he was just at a weak moment and couldnt really stop him. orochimaru's power has had to save him also. recently he was just saved by Madara too.

if killer bee was actually serious about winning then he probably could have killed sasuke.

I want to see the FCKIN 10 tailed beast.

it would be interesting to see it seeing as how they have alluded to it for so long. but naruto not being 9 tails anymore would seem odd. besides that how are they going to keep him alive after they have the removal of the kyuubi. 10 tailed beast appearing seems like it would be the end of the series. lol. only so much someone can do against it.

ifartt - October 14, 2009, 12:13 am

I see it now naruto goes sage mode on sasuke's ass and hes like wtf your weak and naruto orly boom knocked out sasuke. but my most suspicion is that tobi is madara but who is danzo?

but naruto can still live just like gaara but yeah removing kyubi will cut the movie. hope madara can

find a way to resurrect that 10 tailed beast.

OMG . TOBI is really madara. Read previous chapter(MANGA). Danzo read previous chapter also.

if killer bee was actually serious about winning then he probably could have killed sasuke. and also team birdie save him several times already. Agree'd with killerbee. Killerbee can chop sasuke into pieces sadly sasuke has his backups that saves his life again and again .

LOOK AT THEIR STATEMENT

ONE SAID FALCON THEN OTHER ONE SAID EAGLE THEN HAWK. LOL !!!!!!!!!!!!!!!!!!!!!!!

Byakuya - October 14, 2009, 12:00 pm

Madara lost most of his power after the battle at The Valley of the End, with the 1st Hokage.

I don't think he is capable of doing much in his condition.

However.. WTF happened to Kisame?

I miss him! He is so damned awesome!

ViciouS - October 14, 2009, 1:30 pm

well naruto cant live the same way gaara did. gaara was dead and was then resurrected. unless naruto has sort of picked up an instant healing trick himself that does not rely on the fox i dont see him living thru extraction.

madara cant do much but the people he has at his disposal will do things for him. i'm sure kisame will return at some point.

ifartt - October 14, 2009, 3:32 pm

Gaara was resurrected by a jutsu then maybe sakura can do that also if the writer wants to. ? and yeah madara lost lot of power during his battle with hashirama but wow why cant he recover. Its almost how many years since they battled.

@ifartt

read more manga and you will know. I forgot hes story that is why I cant explain it in detail.

the jutsu that revived gaara is forbidden. it is too risky(obviously lol) and thus is not taught to medical nin. sakura should not be able to do it unless it takes her life. which wouldnt work out well either. he cant recover because the 1st hokage was that awesome. lol. seriously, just goes to show how good the hokage was. its more interesting that he is still alive

Byakuya - October 16, 2009, 5:27 am

Well, the new Naruto Chapter is out right now!

And guess who's back? <3

Rolling - October 16, 2009, 6:03 am

Naruto is the son of the fourth . The fourth shall give Naruto some powers for him to grow stronger so he can surpass him . As for Tobi his plans shall be ruined by a certain someone . Let you wonder about the rest .

new user - October 16, 2009, 7:14 am

well even if he got mangekyou from itachi, it makes him powerfull .
and sasuke should've used amaterasu from the start to burn down that kage -.-
sasuke would own with eternal mangek.
byakuya you know tobi can control the 7 bijuu's he collected right ?

Perhaps he's in a shape to control them, perhaps not.

Personally, I think that's he is not in the shape to do so.. Yet.

Rolling - October 16, 2009, 10:14 am

The time for Tobi isn't right at the moment .

reji12 - October 16, 2009, 1:12 pm

kisame is about to fight killer bee and most likely lose

Rolling - October 16, 2009, 1:28 pm

Kisame shall whip this guy one way or another .

ViciouS - October 16, 2009, 1:40 pm

even though i want killer bee to win i feel he will lose. i feel like the ten tails will appear and its gonna be up to naruto and sasuke to fight again.

the two paths put back together again. u know how the original ninja picked a successor? one disciple had way of the heart and the other, way of the body. naruto is all about heart and feeling is such and sasuke is about body and power and so on. its probably gonna be like, once they are re-united together then the beast can be stopped. and that sharingan is a break off of rinnegan, right?

ah, well. we'll see where it goes. its become a lot more interesting.

(Oct 16, 2009 07:14 AM)new user Wrote: [\[CITE\]](#) well even if he got mangekyou from itachi, it makes him powerfull .

sasuke may be powerful but he doesnt seem to great anymore. that amaterasu wouldnt take care of all the kages. there was no chance he could do it. those guys are really skilled. he rejected the chance to get eternal mangekyou and even if he did have the perfect eyes im sure someone could still beat him. killer bee himself has escaped an amaterasu.

reji12 - October 16, 2009, 3:42 pm

yeah i guess your right and tobi is dead, madara stated that himself he's finally admitting that hes madara remember

i think killberbee's stronger then kisame, but he won't WIN (win=kill) kisame

well he has jinchuriki amount of chakra and is a really skilled fighter. kisame is at tailed beast level. just dont know if he can face killer bee who is a good ninja on his own as well as having mastered using 8 tails

DarkLord15 - October 20, 2009, 12:04 pm

It's too obvious that Juubi is going to be reborn, so that's not likely to happen. I know it's confusing but in Anime it never happens the thing we're hoping to see. Actually so that Juubi would be reborn Naruto would've to die and the 'someone sacrifice for ressurecting a dead guy' story is so used in Naruto already that I don't think it's likely to happen.

btw correction for ViciouS: one of the Sage of Six Paths son got his father's eyes (Rin'negan) and chackra and the other with sage's life force and physical energy. But I don't think that does matter

much...

About Kisame and Killerbee I believe that, if nothing else happens (like someone appearing), Killerbee is likely to loose. Kisame has a insane amount of Chackra, although is not higher than the Hachibi Chackra for sure Kisame is also a much 'better' shinobi than Killerbee is (more jutsus and that shit) and don't forget his leet sword... So unless someone appears to help Killerbee I think he's pretty much done for... Well for a couple of mangas he will seem like he's winning but then suddenly he's not (typical manga)
