Usernames are auto generated

RULES:

No CPU Eating Scripts

No Child Porn

Any website found with these on or reported with these on will get auto terminated.

NOTES:

Your cPanel may not be reseller right away because I make all the accounts which I get in and then I upgrade them, so just wait and you shall be upgraded if not upgraded within a hour PM me on HF.

Nameservers will be sent in the PM.

Number of Resellers Given out: 0

You will be PMed once your account is setup. Enjoy :D
