Over 1k Youtube Accounts, and 20k E-Mails!

These are Phished/Leeched/Hacked accuonts I've gotten over the years.
(Some are Bot Made)

Only Ub3r's get em free - MUST PM ME!

L33T+Reg - Have to download from here:

~

Here are the 3 different lists you can download!

Youtube account list EX.
USERNAME:PW

EMAIL account list EX.
USERNAME|PW

Youtube Accounts 1:
<http://fileice.net/download.php?file=5446>

Youtube Accounts 2:
<http://fileice.net/download.php?file=5444>

Email List 1:
<http://fileice.net/download.php?file=5445>

~~~

They do not need virus scans, because they are .TXT Files!!

Disclaimer:

If these aren't working, do not ask me for more. People already might have mass changed the password.

<To those Ub3r's who PM ME!>

I will reply with the list later. I gtg for a few hours, and will be back!

I just cleared out my mailbox, so you can msg me!
