Thread: [L33T Upgrade Poll](#)

**Cpt.Insano** - August 11, 2011, 3:46 pm

I held a contest to see which member deserves to be upgraded to L33T and Drex and I have picked out three people who deserve it. This poll will be used to see who gets the L33T Upgrade. Here are the profile links to the three members:

1. [wale](#)
2. [The\\_Xmatxyx](#)
3. [th3slay3r](#)

Who ever Gets the highest amount of votes will win the L33T upgrade. Good Luck to all contestants ?

THE POLL HAS ENDED THE WINNER IS: The\_Xmatxyx. Congrats

He is the most deserving and a really funny and nice guy.

**Chunked** - August 11, 2011, 4:11 pm

Thanks to those who voted for me. I really appreciate that. Good luck to all members. :)

**DreX** - August 11, 2011, 4:14 pm

New Rule: You are now allowed to ask people to vote for you! But not with threads only through Pm's any thread found

about voting for you will not only get you eliminated but ban from future upgrades that will be held by us.

No voting for yourself feel free to vote for your opponents :)

Once again good luck to all :)

**chemical kid** - August 11, 2011, 4:16 pm

voted for wale hes a awesome guy helps me out a bit :)

**LaserMaster** - August 11, 2011, 4:38 pm

Wale is a VERY HQ member who is always more than willing to help anyone who needs it, and never asks for anything in return :)

Much respect to Wale (#1) especially for helping me out a while back as well ;)

Good luck to all, but IMO Wale deserves it the most! He's a great guy, always was

Thank you very much Impuhlsive. I'm sorry you didn't win that last upgrade, I heard you were in the lead by 2 (including Gbd and I giving our votes) before the competition was canceled.

You're a legend. I love how little you care about your own reputation and how you've got a war against rep whores. I'm glad for dicks like Crayo or we wouldn't have met.

Thanks a ton man, all I can say is you're an unbelievable kind person. You'll make a beast vet.

Good luck to all, but IMO Wale deserves it the most! He's a great guy, always was Laser you're just a great member. He spent a good deal of his time helping a regular member compile proof of being scammed against an upgraded member. He knows his stuff, and if I'm not mistaken you do laser upgrades for anyone that's interested.

**Fiddl** - August 11, 2011, 4:54 pm

I vote for th3slay3r\*, he's a good member and I think he deserves getting upgraded.

The\_Xmatxyx cheated (above post). He should be disqualified.

Wow nice, 2 post in the same min. Seems like the "wale" army is coming up here.

Wale has no contribution threads, nor has he made any tuts, and he has got 25 votes? I would like to see how he got his votes too. ;)

Skyset; There is no rule that you can't ask for a vote.

"New Rule: You are now allowed to ask people to vote for you! But not with threads only through Pm's any thread found

You can't make a thread about it, that's all. You can ask people to vote for you through PM. Read before posting any shit.

/closed.

Minorin; I reported you. If you read the rules carefully, you should know that it's not allowed to post PM details on HF. I guess I was right about your -rep.

Technically you are correct on every statement. I voted for you because your active, have a decent rep, apply yourself in your Usergroup, and also justify everything you claim.

Therefore you deserve to win.

**Wheelz** - August 11, 2011, 6:59 pm

I voted for number 2, he seemed the most deserving to me

And he scammed me

You realize you're allowed too? You sound really ignorant right now. Matt did nothing wrong. In fact I'm sure he's asking people he's PM'd before therefore it doesn't matter.

**Marketplace** - August 11, 2011, 7:03 pm

Nvm all that. We finally successfully made a deal.

Lol what did he scam you of? A vote? I'm sure he's occupied trying to get upgraded. I wouldn't be too concerned.

You said that you would vote for me on the thread if I told you, and I said that it was O.K.

I think that you scammed me, because I gave you an ebook. But I don't care, I didn't give it to you for the vote anyways.

Btw, I'm still online and you're offline, don't act like "the guy who got scammed".

We talked on msn and talked. It's alright now

Let's chill

**Inso** - August 11, 2011, 7:12 pm

Good luck to you kind sir. ? Even though everyone else is asking for vote's.

Guess I lost this one. Kind of surprising how close it was between slay and I before friends were allowed to PM friends.

**HOLA** - August 11, 2011, 7:49 pm

The\_Xmatyx has my vote, great user overall! Enjoy L33T whoever gets it.
