Thread: [My Massive Giveaway \[l33t/ub3r\]](#)

630 - August 11, 2011, 11:41 pm

I haven't done one in a while so... Here it is. **IF YOU PLAN ON SELLING THE TAG DONT BOTHER ASKING FOR IT**

I am going to giveaway all of my tags pretty much... Leaving for college tomorrow and I don't plan on being on as often as I am. So let me know what you like. 1 tag per person and all are silver so please don't ask. Sorry to non upgraded members, I have to make it l33t/ub3r only because I do not want to deal with new members leeching off my thread.[/align]

Some of the vulgar tags might be FNC so take at your own risk because you only get one. Also since people usually hope on these giveaways I will send the account to whoever requests it first and I will give them as fast as I possibly can.

DO NOT PM ME I WILL CONTACT YOU
