Thread: [Selling 1,300 Legit Youtube Subscriber Account ***\\$8***](#)

RossDavies - August 15, 2011, 5:06 pm

Has alot of well known subscribers too.

Only want \$8 very cheap for a years work getting 1300 subscribers.

PM me if interested.

<http://www.youtube.com/HectiKv>

will PM you from the account if you want proof <3

How exactly could you have possible gotten 1300 legitimate subscribers? The only video you have uploaded has 283 views.

They're either all bottd, or some other channel has been telling people to go sub. If it's the latter, they're not really your subs anyway, more like drones.
