Thread: [Scammed by Stolen Visa 5\\$ For a 1600 msp card! Please Read!](#)

Techno Killer - August 19, 2011, 3:28 pm

This guy scammed me 5\$ for a 1600 msp card. It was used alrdy, and when sent him an IM saying the code was used he ignored me.

Here is a link to his profile in case he changes his name:

<https://hackforums.net/member.php?action=profile&uid=413519>

Here are some comments on his profile page

Neutral (0): Scammer. He scammed me of \$40 in which he told me he was going to give me private shells and he didnt.

Negative (-3): Claims to not know a member who scammed me, then claims not to know another member who vouched for the scammer and also tried to infect me.

Proof that he scammed me:
