This isn't allowed in this forums.

So I'm wondering can anyone PM me some forums that are registartion free?

Thanks<3

Keep it going. :) I do not have ICQ.

Sorry bro!

Make sure you got proper protection. Right now you're standing with one foot over the border. If you got rubberboots it'll be alright. Otherwise, get the fuck out and don't come back again.

There are no "free" blackhat forums if you're looking for quality ones bro.
You have to have vouches / pay a fee to enter said sites.
