Situation Theme Made By Me Credits To AeonHack And Perplexity For The Style..

i think this is a good go for a first timer :) what do you guys think took me along time, my internet went down so i couldn't check nothing

was pissed off tbh but when your net is down it is the best way to learn doing theme's, same as other project because it all quite.

Well Let me know what you think and if you Think This would be good to use and who would use it ;).. - Thanks SoulZeh

Perplexity knows why i called it this :P

hehe well my net was down and i decided well nothing else to do :) let's go on and try GDI :)

Perplexity - August 21, 2011, 10:48 pm

Holy fuck, now this theme I REALLY like <3

Glad to see people are using mine and changing it around :P

I might even use this myself :O

EDIT: Derp, I just realized what you called it, LMAO! Funny shit <33

I am sure people will use it. If you keep getting better, you can eventually start selling them. You did good.

Also, be sure to add your theme to your theme list. ;)

Well ur wrong becuase this isnt leeched :) made it myself and looked at perplexity's design for it

The MammoTh - August 22, 2011, 7:59 am

Not really my style but its look quite nice I guess.

Uncol Dolan - August 22, 2011, 8:21 am

I was like FUCK WOW O_O, nice job dude.

SoulZeh - August 22, 2011, 9:26 am

thanks man, took me awhile thinking of doing another one but making it like a glossy effect ;)

versx - August 22, 2011, 10:20 pm

Looks great SoulZeh, keep it up! I look forward to seeing more themes from you in the future.

SoulZeh - August 23, 2011, 2:36 am

wow thanks didnt think alot of people would like this but they do cheers guys now it makes me wanna do more theme's

Pijm0 - August 23, 2011, 8:50 am

That progressbar looks awesome, keep on working on this. Intresting so far... :)

Rebellion. - August 23, 2011, 9:58 am

Awesome man This is what a theme is :) Keep it up bro! :)

Mr. Anderson - August 23, 2011, 10:01 am

I like it, you might want to keep a constant color for the BG though.

SoulZeh - August 23, 2011, 10:01 am

thanks for the positive feedback :), and i hope i will make another one just aint sure on colour's to use tho
