Anyone who wants to add their sites PERMANENTLY to my lists can do so for ONLY \$8.00 PER SITE. (if you pay via LR, the price is \$6.00 per site)

Will include 2000 visitors to your URL along with the unlimited and permanent SB service.

I run ScrapeBox daily so you will get consistent backlinks.

I challenge anyone to find a cheaper service then mine. Most people and sites selling services like this charge \$20 or more for as little as 100 backlinks. You find somewhere cheaper and show it to me. You get a FREE run.

Just PM me to purchase.

PAYMENT METHODS

PayPal (Sent as Gift)

Liberty Reserve (Special Discount if you pay via LR.)

AlertPay

Bitcoin (In Special Cases)

Some people have doubted that this works. Look at the pic below and you'll see. The majority were built all using Scrapebox.

Offer a cheaper price, better layout, etcFor the service that is offered. the price does not get any better. This basically me selling a form of permanent SEO. Find a cheaper price for unlimited backlinks with included traffic and I'll lower mine.

As for the layout, if someone needs pretty pictures and colors to convince them to take this frankly golden opportunity, they are vapid and moronic. Take your idiocy somewhere else.

Really interested in untargeded views.
Pm me if your still doing this!

Im thinking about first 10k untargeded views, if it pays of then im interested in 200k views.

Can i choose myself over how long time periode the views can come in ?

Like 10k views a week or something like that.
