GTH - August 31, 2011, 8:56 am

Since you have this in the contest section I'm not sure how you're deciding who you're giving it to, if it's just the first people who post or what...so I figured I'd just toss in a post letting you know that I'd also like this (in case it is a random drawing or something like that, since there have already been 5 UB3Rs to post before me). Good give away!
