Thread: [LOL @ This Anonymous Sabu \[Fuck this pedo site\]](#)

pwntoken - August 30, 2011, 7:21 am

<http://www.densetsu.com/>

????

EDIT : Now LOL @ This too -> <http://networkedblogs.com/mkmLG>

???

Techie??? - August 30, 2011, 7:23 am

Add some text to the thread before you get warned.

????

I SQL'd this site months ago !

No fucken joke

I just never knew it was a pedo Site ?

Here is the news article [http://www.cyberwarnews.info/2011/08/29/\[censored\]-leaks-7000-accounts-from-child-porn-trading-forum/](http://www.cyberwarnews.info/2011/08/29/[censored]-leaks-7000-accounts-from-child-porn-trading-forum/)

Here is the SQL Vulnerable Link: <http://www.densetsu.com/download.php?id=524>'

This Pedo site is making me more annoying than Justin Bieber and hanna Montana ?

EBAH - August 30, 2011, 7:48 am

Those people deserve to get fucked with. I hope they all burn in fuckin hell

-=HeX=- - August 30, 2011, 7:54 am

Hey, guys - update. Was not Sabu, and the board was dead. The CP was posted on it AFTER spammers took it over.

Whoever did it wanted to get some attention - remember how Topiary once said that "Anyone can

call themselves [censored], all they need to do is copypaste the ASCII"?

Seriously, use your brain.

However it's all in the news.

L2R the OP.
