well I don't see much of a point in this thread, you should just tell people to go to pastebin.

To save them hours of there life? Yes there free but I searched a while last night. Now you don't have to waste the time of your life like I did.

Uncle Ruckus - August 31, 2011, 4:41 pm

Using shells in general wastes time.

Using this forum wastes time.

I'm sure pasting some shells in a checker won't waste too much time considering you can copypasta & multitask in a matter of seconds.

I'm pretty sure going to over 30 pages of shells and copying and pasting takes some time.

Uncle Ruckus - August 31, 2011, 4:46 pm

Going over 30 pages to look at duplicates and dead shells is pointless.

Ok it's whatever. That's your opinion.

Ups. - August 31, 2011, 4:50 pm

Kyle™ why are you arguing over something stupid stop being so childish.

Uncle Ruckus - August 31, 2011, 5:48 pm

Childish? I'm simply stating facts and you -rep me? Thanks.

Yes well you don't have to stat a argument over it just say what you have to say and be done with it and move on.

Uncle Ruckus - August 31, 2011, 6:36 pm

If he responds to me, I'm obviously going to respond back. I reported the -rep anyway.

Let's see if you "be done with it and move on." now, or be a hypocrite.
