Thread: [My Private **Ultimate eWhoring Guide**](#)

Neal Caffrey - September 1, 2011, 4:03 am

hey Guys,

So I've noticed some eWhoring Guides out there and I just thought you guys might want to have a look at the method I used :D

For This Guide, I'll be going along the name of cutiekatix3@hotmail.com, Kate Woodbridge.
One of my First PeditBaiting Emails

Things you will need:

SplitCam or ManyCam, <http://download.manycam.com/>

Video of a Hot Girl, Cam Quality

A FaceBook, -To be sure-

2 PayPals, Preferably Both Verified

A Picture Pack, I find that 5 Pictures works well.

An MSN

Note To Ubers and Leets: I'll be Happy to set you up with Names, Facebooks and other generic online Identities that Will look completely Realistic for FREE!!

Okay, So now you've got all the tools so you can start right?

No.

Step 1.

First, Go on a Website. The one I used was Chat-Avenue Because of the high amount of Traffic Found on the site.

Spam something along the lines of

Looking for Hawt Guys <3 Add My MSN, cutiekatix3@Hotmail.com, Giving Cam shows c: 18/f

Now I'll Explain Why I put that.

Firstly, Notice the "Hawt". That's what Girls say. Guys Say Hot. Girls say Hawt.

Secondly, Notice the <3. Guys don't put <3 when expressing Affection, Girls do.

Thirdly, the 18/f. When People add you, most of the are going to ask you for ASL, Which stands for Age/Sex/Location.

Step 2.

Go on your MSN.

You will be getting Tons of requests for ads from Random People.

Now, you want to set up 3 Groups on Your MSN.

1 For New Adds,

2 For Potential Cash Cows

3 For Already Paid

Okay, SO when you get your adds, Put them all into New Adds.

Don't talk to them first.

The Conversation Will go along the lines of:

Him: Hey

You: Hey

Him: Saw you on Chat Ave, Wanna go on cam?

O

Wanna Cam2Cam with me?

You: Depends, I'm only doing Paid Cam shows :(Sorry :(

Now, when you get to this stage, he'll either say.

Fuck Off, At which point you delete him

Or

How Much?, At which point you will keep him.

Keep the con going as long as you can.

You will want to start small, at say 20 Dollars, So say 20 Dollars an Hour.

Or 20 Dollars Per person.

I'll share with you a private methods I use:

Method 1.

You say your \$40 an Hour.

If they Pay up, Awesome.

If they Don't say something along the lines of "Pay me Half, then i'll do my show and i'm sure you'll be satisfied, then pay me the other 20"

Method 2.

You can refund through PayPal if i scam you, so why would I bother :(

ONLY BRING THIS UP IF HE MENTIONS A SCAM.

IF HE DOESN'T MENTION A SCAM, AND YOU DO, HE'LL GET SUSPICIOUS.

Method 3.

This works after hes paid you.

You send the money he sent you, then say that you didn't receive it.

He sends again.

You keep doing that till he realizes whats wrong.

SO!

Thats My Personal Guide to eWhoring/PedoBaiting As I call it.

Remember, Any L33T or Ub3r who needs help setting this all up, just hit me up

Any thanks or suggestions on what I could do better would be MUCH appreciated :D

If You start raking in like Hundreds a Day, be sure to make a small Donation to me ;) Currently Low on Cash :(

Edit: if you need Picture Packs, Just hit me up On my Thread In my Sig :D

Edit again: Ubers: Giving out my method for not getting limited on PayPal, No surveys or any shit like that, Only works if you don't continuously use 1 Account c:

Nothing to new or anything, but it's good to see you are willing to help new members to e-whoring.

Every time I need help I'll be sure to check your tut.

How fucking dumb do you have to be to send 40 bucks 2 times in a row XD ? ARE you srs ? this worked for you ?

Neal Caffrey - September 5, 2011, 4:24 am

Of course this has worked for me.

Just not all the time.

If they're stupid enough to send money without seeing a face on cam, I think they're smart enough to fall for this.

anything_a - September 5, 2011, 4:33 am

so, you just take the money and run with it?

Neal Caffrey - September 5, 2011, 4:55 am

Well, I posted on this two months ago. Now after two months of moneymaking, my totals reached about \$1000.

Thanks for the HQ guide :D
