I hope you won't upgrade those people with -500 posts lol. They just don't deserve it. Would be a complete waste...They didn't even help HF anyhow.

Another 150 post user that was never HQ on the forum gets l33t. This is starting to be annoying. Congrats anyway, I guess. Removed all my posts from your forum OP. (34)

**Super Scumbag** - *September 2, 2011, 11:14 am*

Then you only joined so that you could get the l33t, and we didnt need you. Simple as that.

**loganfilt** - *September 2, 2011, 11:30 am*

Well, congratulations DaUltimate!

I hope you can host more contests Anonymous. :)
