Welcome^^

tookakkakakka shsosrtatata

not receive your pm :(

?our Mother - September 2, 2011, 10:49 am

It can be binded to his Rat, be carefully with this member, I change my mind if we can see you through teamviewer.

okay

send you teamview details now !!

Gorhax - September 2, 2011, 11:04 am

Vouch, he is legit, crypted my friends file 100% FUD for him over TV. No RAT's etc bound to crypted file. Thanks once again.

Twiter - September 2, 2011, 11:39 am

Finish Crypting for Gohax Friend and Mundo

TheMedigator - September 2, 2011, 11:59 am

thank alot twiter! wont work when i run it but you tried really greatfull mate (watch him on

teamviewer) i think the error is on my end.
