Any Idea of the worth of this GT is?

KoolKidsloveKoolAid - September 3, 2011, 7:11 pm

I don't really get involved with OG's but I'd say atleast \$20.

That's a shitload of messages. Some people would find that offensive. I wonder what the reactions would be to it when you join a game.. lol.

Some devoted Christians might actually buy this for a lot. Who knows.. just post a thread on it asking for "Offers"
