1/ 44 (2.3%)

Why is it 1/44? False postitive?

bebonzy09 - September 3, 2011, 9:55 am

yeah, PUA.Script.Packed-10 is a false pos
meh. saturated method, not worth trying.

Why is it 1/44? False positive?

Yes this is false positive.

the 1% is a script that pop up on the pdf.

Nothing to worry bro.

It is 100% safe :)

charlieboy119 - September 3, 2011, 10:37 am

can anyone please confirm that this is safe download am very interested thanks.

devil00070 - September 3, 2011, 10:40 am

thanks mogi downloading . checking it . will post result .

EDIT : a very nice guide to earn money but needs some patience.

Kurious - September 3, 2011, 11:25 am

What does people think about this? Anyone that is still doing this and can confirm that you make that amount of money?

HazeFazeBRO - September 4, 2011, 8:56 am

Impressive e-book. Vouch ?

mohambi - September 4, 2011, 10:13 am

Method is already known. At least, I knew about it. In any case thank you for direct link.
