Thread: [\[Tutorial\] The Appstore For Webapps! OpenAppMKT](#)

iRun - September 3, 2011, 1:15 pm

Ok guys, I don't believe many people know about this site. It has a lot of potential and I thought a lot of you guys could benefit from this. Show I'm going to show you how to get it now!

Step 1: Open MobileSafari and go to www.openappmkt.com

Step 6: Enjoy guys!

Grin - September 3, 2011, 1:44 pm

Well thanksf for the share. It's pretty cool, I guess.

Inventor - September 4, 2011, 12:47 am

Wow, i must say this is pretty awesome. Thanks for the share!

Døñ - September 4, 2011, 1:51 am

Wow great find. This is what we need, tutorials that blow our minds. Great job man. I think this is something no one knew about. Thanks for the find :)

iRun - September 4, 2011, 7:15 am

Thanks guys! I really appreciate it! :)

Sports. - September 4, 2011, 2:24 pm

Pretty cool, not much potential though

3 things.

- 1) It looks great, thanks for sharing!
- 2) Added to the master thread
- 3) What theme is that? I love it.
