Thread: [Simplistic Theme - \[RELEASE\]](#)

Doctor07 - September 4, 2011, 12:55 pm

Heyguys, So today i decided to learn how to create themes and i followed Aeonhack's YouTube Video Tutorial,

So this is my first theme that I've ever created without using Sprites, Hate, Rate, Debated.

Code; <http://pastebin.com/2G81WpT1>

looks good, but I would change the corner colors to match the form color, just so it flows better.
Other than that, great job on your first theme!
