Thread: [Bring back the fucking Gamers Group](#)

Old - September 4, 2011, 9:08 pm

Instead of deleting the whole thing you should of just changed leaders. It just doesn't feel right with it.

Positive - September 4, 2011, 9:08 pm

Yeah yeah yeah.

I think we should do this.

But this time with a new moderator and active people.

Tristan - September 4, 2011, 9:10 pm

Sounds like fun, This forum really would need a Gaming group once more.

Baked - September 4, 2011, 9:23 pm

Pay \$2000 and bring it back, Omni ain't going to start a free group now.

Unless, it actually has purpose on the site.

Omni has stated that eventually he is going to be deleting all free groups. Regardless of if it has purpose or not, he isn't going to create a group unless he gets the money.

iMario - September 4, 2011, 11:10 pm

It wont be back. Omniscient will delete all free groups anyways. Only your money could bring it back.

Was the writers paid?

I don't think so, unless I'm mistaken.

Barneyyz™ - September 5, 2011, 4:23 am

Yes, the writers were not paid... They actually give something back to the forum though, like the HJT they're free but they do something for HF.

Basics. - September 5, 2011, 4:31 am

Are you prepared to keep the group active? The whole reason it was dismantled was because it was inactive and a free group. So, cough up the 2k and it'll be good to go.

I don't think so, unless I'm mistaken. Omni made that group himself (or at least he's a leader of it) so I'm unsure about that group.

Boxing - September 5, 2011, 7:07 am

No, we already have enough groups. They are all pointless in the sense you just discuss random bullshit and everyone gets a user title to brag about.

king tulip - September 5, 2011, 7:22 am

Omni has stated that all free groups will be dismantled eventually. I doubt the gamers will be coming back unless someone is willing to spend \$2000.

Sol Yurick - September 5, 2011, 7:23 am

I would consider buying the gamers. But I would not expect Omni to bring it back, right fully so. It does not deserve to be back. I was in the group and I feel this way.

Neither was the Reviewers. The thing is, Omni planned those himself. Why would he delete his own group?

Oak - September 5, 2011, 11:02 pm

If you care so much, buy it.

That's literally the only way it is ever coming back.

The writers was planned by Omni and itylernallen, no one payed for it.

Well you said.

Seems like you're contradicting yourself.

I know exactly what I said. If you're really getting your panties in a knot over this, then I'll rephrase that: "Omni is deleting all groups except for his groups"

Nostre - September 6, 2011, 11:27 pm

You want the group back, go pay for it.

? Gabriel ? - September 6, 2011, 11:32 pm

I don't think it's worth it. 2000\$ for a non-profit group, neah'. Make an eWhorer one and take entrance fee's.

Skyro - September 6, 2011, 11:43 pm

As one of the active members of the group I just wanna say, don't you think we tried? It's not going to come back unless someone pays for it. BlackChaos gave Omni a long ass PM about it all and he wouldn't give it back, what makes you think this measly thread will?

The Writers are not a user controlled group. It is run by Omni and the site administration, in the end.

You can take entrance fees for any group.

You DID consider buying the gamers. You offered Mendy \$500 for it.

'Major - September 6, 2011, 11:50 pm

I'm indifferent as I was either not here or inactive when the group was around (probably, or I just never noticed it), but you could have an entrance charge of say, \$20, and have it sent to Omni.

I'm sure you'd get a significant amount of money in a short time.

Omniscient - September 6, 2011, 11:52 pm

A few members have approached me about gamer genre groups. We already have the Minecrafters and I'm sure we'll get more soon enough.
