Thread: [YouTube Background](#)

Legitti - September 5, 2011, 7:47 am

I need simple, pinkish background for my youtube. I wont keep any vids visible so no need for box's for videos.

channel: <http://www.youtube.com/user/bff>

Tigers - September 5, 2011, 8:41 am

These are probably the wrong dimensions, but try it.

Legitti - September 9, 2011, 7:42 am

Yeah, its way too small. Look at the dimesions on the premade backgrounds to get and idea.

I3wis - September 9, 2011, 8:17 am

Heres something really simple bro

Spoiler [\(Click to View\)](#)

Edit, slight change to it

Thanks

Waka Flocka - September 9, 2011, 8:54 am

its just pink and white? whats the point of this

Legitti - September 9, 2011, 9:08 am

It fits there preatty good, dosent it? thats the main point for me
