There have been around 4 of these threads since this section has opened. It's a bit useless now.

Vouch for this user, and good luck with sales.

This isnt even a sales thread , lol.

Added a few more.

This thread deserves to be to the top, you've put quite a bit of time in it.

Here's another previously suggested suggestion that's been denied:

"Other" box in report windows.

And I think you should make the colors different, as red is pretty hard to read. Sort out the denied ones from the pending/no answers'.

Kosmos - September 10, 2011, 1:27 pm

There's way too many of these threads. Why make another?

The Protagonist - September 10, 2011, 2:30 pm

Sticky This Someone. Lol only Omni is allowed sticky threads now you should apply in the sticky thread or maybe PM Omni. Hesitate with PMing Omni though :P

h?cker22 - September 10, 2011, 2:46 pm

Added plenty more.

"Every member feels their thread is good enough to be a sticky but obviously I have to limit them to about 2 or 3 per section." - Omni

I don't wanna bother him with this :P

The Protagonist - September 10, 2011, 2:50 pm

Ok then I'll just keep posting in this thread to keep it front page :P

EDIT: Spelling error: "Simple but Stright to the point" Change Stright to Straight.

Grammar Error: "Shoutbox: Use to exist, Gone now" Use should be used.
