Thread: [\[Rate\] "Chris" Water manipulation \[Rate\] \(now inclusive poll, should i make a tut?](#)

Sejskaler - September 6, 2011, 1:28 pm

Hey.

So, since my "C" water manipulation got so much good criticism, i could not just stop making more :D

Well, i spelled "Chris", but i feel like something is missing, maybe some splashes from the top?

Well, decide for yourself, and tell me :D

What do you think?

Valik ? - September 6, 2011, 1:29 pm

I like it.

Is it a tutorial work or you did that yourself?

Black Hole - September 6, 2011, 2:13 pm

Already told you this looks awesome but I am telling you again, awesome. And yeah, like Valik said, if you did follow a tut share it. If not, make one :3

Sejskaler - September 6, 2011, 11:50 pm

I did follow a tutorial for smoke, but realised that, it was just my style, so i blended the tut with some experience, so i guess that i did not really follow any tutorial, only got inspiration from it...

I will make a tutorial ^_^
