seems like a good deal, you giving any vouch copies?

do they keep logs?

are any of the ports open?

Check ur inbox.

(Sep 8, 2011 12:05 PM)Danger105 Wrote: [\[CITE\]](#) I will pay 2\$ LR for an High internet speed and inactive RDP.

PM me if you can do it.

Selling Virtual Private Network's only . no RDP sorry !

Thanks for the Vouch sir.

Nobody interested ? they are so fucking cheap !

lolsonlols - September 8, 2011, 12:22 pm

Are they protected? And what encryption is used?

Oxydit - September 8, 2011, 12:25 pm

(Sep 8, 2011 12:22 PM)lolsonlols Wrote: [\[CITE\]](#) Are they protected? And what encryption is used? They protected & hosted by Shellfire.de , I buy them from there, and sell them here ! FRESH & Unused.

Meh I'll pass then. Generally bought from legit host = logs.

Pilatus - *September 8, 2011, 1:01 pm*

I would love to buy this. please PM me. i am paying via PP by the way.
