udie2day - September 17, 2011, 12:20 am

u get them up my ass right next to the sign that says "fail troll is fail"

1_axxor - September 17, 2011, 12:21 am

Lol the 1st guy who got the vouch is not responding yet on PMs, and yeah..

Jaxon - September 17, 2011, 10:30 am

im not vouching because i asked him a question and he sent me a blank message back. he was asking me to run a random batch on my computer and i didnt feel comfortable with it.

udie2day - September 17, 2011, 11:15 am

U relly dont have to run that batch file, it would just make your life way easier than just decrypting the lastlogin files yourself
