The lifetime of this program is same as Lomdom Worm?

Lomdom Worm was updated for around 1 month and than you stopped updating/selling without refunding anyones money.

Assmatic - September 22, 2011, 11:17 am

I think im going to get this man i will pm you.

London worm was paused and turned into London aio

Anyone with an active worm account got aio for free

I've had over 50 worm customer get the aio

Check the aio thread in my sig

I also made a few threads about the transfer

Thank you so much!

Still selling this!

I am currently moving house, going to uni as some of you know

I may be without the internet for a few days, however if i am uncotactable then my support team will be assiting you. While im away i shall also be coding an EPIC! Update!

This should only be for a few days

Thank you
Megan
