Thread: [\[GET\] Reward Website Script NULLED - Make Your Own GPT Site](#)

Touho - September 21, 2011, 3:23 pm

I want share this reward script for you!

Code Script Demo:

<http://www.myvouchergeek.com/>

Make your own GPT site, there are also setup guide how to easily install the script, even noob can do it.

Just only put your CPA offer in the site and advertise a bit and then = \$\$\$\$

I am used this script now for a month and i am earned nicely!

Good Share man.. :) I wish i cud +rep yu!!

Touho - September 22, 2011, 11:41 am

Yea, hope you like! If anybody wants direct link, PM Me. You can still get this faster with survey, because i am going to vacation next day, so i cant sent PM:s.

AngryBird - September 22, 2011, 1:23 pm

You've been using it with adscend media... :O do you have the postback file?

Touho - September 22, 2011, 3:24 pm
