According to Ohtsuka, the November issue of Kadokawa Shoten's Monthly Newtype magazine is publishing a one-page introductory article with an illustration by Imaishi on Saturday, October 8.

**bugga** - October 9, 2011, 12:48 am

Seriously? Don't think you read official thread, Bamfon stole from me and I said it was fine (no ban should be in order) And there is no proof of me griefing.

Its not my opinion, its just a notification that two members were banned for two reasons. Completely neutral and just letting members know... Dont bring fights in here please. ^^

**Layfon** - October 9, 2011, 4:18 am

Yes but the thing is I don't think I am banned (aacraft down again) As fox said he was checking logs...

And I don't think a ban was in order for Bamfon as I let him keep it?

At this point in time (since i talked to fox) this information is credible. If matters change then ofcourse i will change it to reflect it, and put a section in next weeks so people who read this will be updated. ^^

You certainly cussed at a lot of people when you were punished which didnt exactly work in your favor though. Stuff like "everyone can go butt\*\*\*\* each other" doesn't bring a lot of sympathy out in me. ?

**Layfon** - October 9, 2011, 4:38 am

Ah yeah, well it doesn't matter anymore. Good luck with other issues in the future.

**Tasemu** - October 9, 2011, 5:17 am

Dont worry, im not taking any sides, im just informing of events as they happen, as the story changes or updates you know ill be there to write it up baby. ^^

**oneechan** - October 9, 2011, 8:50 am

A very nicely written summary of important events yet again. I too, was surprised to see Sailor Moon as the top. Didn't know people still read it that much.

**Black Hole** - October 9, 2011, 10:12 am

2nd issue is great tasemoo!

I wasn't surprised at all to see sailor moon at the top. After all, sailor moon IS TEH BEST ANIME EVAAR, amirite?

**DoubleRainbow** - October 9, 2011, 10:53 am

Very awesome idea Tasemu. I saw the first issue and thought it was a good addition to AA. Looking forward to the issues to come.

**Ryan'** - October 9, 2011, 12:28 pm

Very nicely typed up. I prefer reading the AA news over the HF news :3

Looking forward to reading the next edition.

**Tasemu** - October 9, 2011, 3:14 pm

Cheers, im still chucking around ideas for more things to add to it overall. ^^

**CoNsEqUeNcE** - October 9, 2011, 3:18 pm

This is a great idea. Keep up with posting the news.

**Notizen** - October 9, 2011, 7:43 pm

Haruhi Suzumiya forever <3 <3

Great issue mate hope to see more of these in the future.

**Tasemu** - October 10, 2011, 3:17 am

Yup i release them every sunday, remember to read them. ^^

**Arruke** - October 10, 2011, 9:42 am

Sailor moon number 1 wow, I guess I can't expect anything less from one of the best that kick started anime and manga into the mainstream media, at least here in the US.

**Professor Pantsu** - October 10, 2011, 10:05 am

Good thread, keep the good work up, etc, etc. I think you should throw interviews into these threads, I think that would be interesting.

**Happeh** - October 10, 2011, 10:32 am

I'd like to see interviews of AA members too. Gossip. :3

**Ui Hirasawa** - October 10, 2011, 11:06 am

Interviews sound pretty cool, :Thumbsup:.

**Fox** - October 10, 2011, 2:36 pm

I also agree on having interviews with AA members.

I'm still surprised that Sailor Moon is #1 in best selling Manga. >.<

**Tasemu** - October 10, 2011, 4:21 pm

Uh ok, i wasnt going to put in interviews but popular demand seems high.
