How are they your book collection if you don't have password for the rar archive?

Calum0 - October 10, 2011, 9:48 am

No Idea how to get RAR password recovery or how to use, would be grateful if someone posted the password.

c0c4c0l4 - October 10, 2011, 12:44 pm

lol

Upload a single crypted file.

You can't decrypt a .rar folder, which isn't encrypted. You can't decrypt single files in the .rar folder.

yoyo32 - October 11, 2011, 5:46 am

i have the password but i will only give it to you folks if the uploader here on HF gives credits to whose work it actually is

barni2323 - October 11, 2011, 9:10 am

yoyo32 - October 11, 2011, 10:32 am

it is 8 mixed characters and cannot be bruteforced because the encryption isnt know to any rar bruteforce programs yet

DevilishAngel - October 11, 2011, 10:56 am
