Not bad, although I think there should be greater distinction/contrast between the title bar and the rest of the window.

**pr3fix** - October 13, 2011, 11:02 pm

Looks really good mate!

Keep up the good work :)

: ) thanks! ?? i guess xD?

**SoulZeh** - October 13, 2011, 11:33 pm

Nice theme there OP mate you're doing good on themes atm :)

**Penthos** - October 14, 2011, 12:31 am

So is AeonHack still making them and you designing them or are you doing both now??

Nice design.

**LiveModz** - October 14, 2011, 3:10 am

Nice theme, Nice colours. Thanks for the release.

Nice design.

He coded this one by himself, with some help from ZeroProject. :)

Ah then he means business :)

Lol, Great work Greenexxx..

I too have learnt from the great ZeroProject & AeonHack Vids ^^

Two amazing coders and GDI+ Gurus ^^
