Thread: [FULL Cinema 4D Tutorial. How to get started](#)

DFTCHE - October 16, 2011, 5:47 am

I'm going to make a thread about Cinema 4D, in this thread you will find basic and advanced tutorials, resources (Free 3D models, textures, Free projects,...). I will also post sites where you can find other tutorials and inspiration.

Most of these tutorials are video tuts. I tried to post the most useful tuts with preview in the spoiler tags.

Basic

Resources

Textures, Free Models, Free Projects

I didn't post all the tutorials of C4D, so here are the site where you can search for what you need.

<http://greyscalegorilla.com>

Most of the tutorials I posted came from that site, but there are much more.
