Storyline-Storyline Is good but not very Good(But it Is Not Actually a Major drawback)

Characters-All Have Comedic Sence That's enough for me,in addition they have very special Personalities

Kosuke Ueki:-

[IMG]<http://i937.photobucket.com/albums/ad220/XxwarwolfX/LawofUeki27-1.jpg>[/IMG]

This is our Main Character.Ueki's ability is given to him by Kobayashi (a.k.a. Mr. K).Ueki is an

unusually calm individual, and doesn't care about what happens to him. Ueki is a genuinely kind person who is always trying to help people, however he is easily angered when his friends are bested in battle and when one attacks one of his own team and will do anything for justice. Ueki's ability is the power to Change trash into trees (Mr. Righteousness)

Ai Mori:-

[IMG]<http://i937.photobucket.com/albums/ad220/XxwarwolfxX/Images.jpg>[/IMG]

Ai Mori is one of Ueki's classmates. Ai is usually upbeat and friendly. She is strict with Ueki at times, especially when he looks like he is about to do something rash. You Will Like Her. (The Girl Who Cares For Others)

Seiichiro Sano:-

[IMG]<http://i937.photobucket.com/albums/ad220/XxwarwolfxX/SeiichiroSano2.jpg>[/IMG]

Sano can change towels into iron by holding his breath. Sano is highly competent and creative with his power, creating shields, springboards (spring), traps, and even boomerangs. He loves hot springs and hopes to win the blank talent to obtain the talent of hot spring discovery so he can build the greatest hot spring in the world for everyone to relax and enjoy. (He LOVEZ Hot Springs)

Kobayashi (A.K.A Mr.K):-

[IMG]<http://i937.photobucket.com/albums/ad220/XxwarwolfxX/42964.jpg>[/IMG]

Kobayashi, nicknamed as Mr. K (Kobasen in the Japanese versions). Mr. K is also a King of the Celestial World Candidate who gives Ueki his power. He has a very strong sense of justice, actually inspiring Ueki. He Gave Ueki His Power. (the Role-Model For Mr. Righteousness)

Tenko:-

[IMG]<http://i937.photobucket.com/albums/ad220/XxwarwolfxX/L.jpg>[/IMG]

He Is a Creature From the Celestial world. He can also change his shape to fit onto Ueki's wrist like an arm protector used by goaltenders in ice hockey to give him advice, and seems to be able to communicate with Ueki telepathically. And info r spoilers so not telling. (He will Sacrifice Things for His Friends)

Robert Haydn:-

[IMG]http://i937.photobucket.com/albums/ad220/XxwarwolfxX/Images_1.jpg[/IMG]

He is The Leader of the Robert's 10 (WoW You Never Guessed it). He is Our Bad Guy. And Other Infos Contains Spoilers. You Will Like Him. (the Bad Guy And the Good)

Rinko Jerrard:-

[IMG]http://i937.photobucket.com/albums/ad220/XxwarwolfxX/180px-Rinko_Jerrard_12.jpg[/IMG]

You Will Learn More About Her. I Don't Want to Spoil Anything (The Lover)

Hideyoshi Soya:-

[IMG]<http://i937.photobucket.com/albums/ad220/XxwarwolfxX/42961.jpg>[/IMG]

His ability to turn voices into portraits can make voices come out of them. That's All I Can say. Again Don't Want to Spoil Anything. He is Very Funny. (Mr. Funny)

Nice review man. The text is a little big but you put some decent work into it.

?hadow - October 16, 2011, 5:53 pm

The review itself was well done. The only thing I don't like about this review is the inconsistent grammar, punctuation and spelling.

SavageBoys - October 16, 2011, 9:33 pm

Saw first episode and it didn't wow me so I didn't bother with it but maybe a fault on my part because you make it sound quite nice and the pictures help. Good Job/Post mate!
