Thread: [??? \\$sharecash Download & Reupload on mediafire Service | 10 files for \\$2 | ???](#)

Stevdzaxx - October 16, 2011, 1:49 pm

\$sharecash downloading service \$2 for 10 files,i accept only AlertPay.

* 1 file = \$0.70 5 files = \$1.40
10 files = \$2.00

If you are interested post here,and pm me. ?

You didnt understand service as well.

I dont download files so you get money,i wont tell you how i download files,but when i download
you dont get money.

I just download and upload you the files you want on mediafire.... ?

x-x misunderstood your service. Typically on HF people do what your doing for free, then the paid
version is when the customer gains money on a PPD site like ShareCa\$h.
