<http://likethehat.blogspot.com/2009/11/free-eset-smart-security-4-license.html>

Here is a free ESET Smart Security 4 license key promotion, which you can obtain genuine license key for 100 days protection. This free ESET license key promotion is eventually for ESET UK users for testing the latest ESET smart security 4.

ESET Smart Security 4 consider as a comprehensive security suite to protect your computer from viruses, spyware and other online threats. This ESET Smart Security 4 has been improved a lot on the security features and turn into lightweight security program combines a simple interface with lots of manual controls.

Key Benefits of ESET Smart Security

- Built on the award-winning NOD32 antivirus and antispware engine

- Stops most new threats proactively, well before other vendors have issued a signature, maximizing your defense against new and unknown threats

- Integrated antispam and personal firewall keeps your online life safe

- Scans and cleans Internet traffic and email, even when it's SSL-encrypted, so your email is always safe

- Stops threats from entering through removable devices so you can share files with confidence

- Integrated SysInspector and SysRescue simplify system diagnosis and recovery

- Self defense prevents malware from degrading your level of protection

- Tiny signature updates happen discretely as needed and won't bog down your system

- * Free technical support via the Web, email or phone

So, below is the step how you can obtain free ESET Smart Security 4 license key for your Windows operating system protection.

How to Get Free ESET Smart Security 4 License Keys:

To get your free ESET Smart Security 4 license key, follow the steps below:

1. Use a UK-based proxy to access the promotion page as it's only for UK users. Try any of the ones given below:

- <http://www.polhost.co.uk/proxy/>

- <http://www.daveproxy.co.uk/>

- <http://defilter.co.uk/>

2. Now copy the URL of the ESET trial page (<http://www.eset.co.uk/Trial/Request>) and paste it in the proxy site box.

3. Fill the form with all your details, and don't forget to choose ESET Smart Security Home edition from the products list. Enter promotion code: PRO100

4. Now press Submit and validate your email from the next page.

5. You should now receive an email with your free ESET Smart Security 4 free license code.
